

# CD Booklet Layout Guide - Printers' Pairs

We require all artwork for CD booklets to be provided as printers'pairs on our template. Below is an overview of how the artwork should be set out and supplied. All pages should be clearly marked with the page number.

For booklets larger than 16 pages the layout should follow the same pattern,

## 4 page - print single-sided

Page 2 Back	Page 1 Front
----------------	-----------------

## 4 page - print double-sided

Page 4 Back	Page 1 Front
----------------	-----------------

Page 2	Page 3
--------	--------

## 8 page

Page 8 Back	Page 1 Front
----------------	-----------------

Page 2	Page 7
--------	--------

Page 6	Page 3
--------	--------

Page 4	Page 5
--------	--------

## 12 page

Page 12 Back	Page 1 Front
-----------------	-----------------

Page 2	Page 11
--------	---------

Page 10	Page 3
---------	--------

Page 4	Page 9
--------	--------

Page 8	Page 5
--------	--------

Page 6	Page 7
--------	--------

## 16 page

Page 16 Back	Page 1 Front
-----------------	-----------------

Page 2	Page 15
--------	---------

Page 14	Page 3
---------	--------

Page 4	Page 13
--------	---------

Page 12	Page 5
---------	--------

Page 6	Page 11
--------	---------

Page 10	Page 7
